

## **Spiritual Renewal Counseling with Candi Christman**

Imagine connecting personally and interactively to God, in such a way that you feel his abiding presence and experience his great love for you.

A spiritual renewal session creates a setting where Holy Spirit, the counselor, can speak intimately with you and meet your deepest needs for spiritual growth, healing and wholeness.

Simple, reflective tools, combined with my spiritual gifts, will bring healing to your hurting heart and expose lies, fears and deceptions, that have kept you from growing and sustaining healthy relationships with God and others.

Details from your session, including what God said, revealed, scripture and prophetic insight, will be emailed to you, in the form of a love letter from Jesus.

I believe that every person can experience the fullness of God's presence, peace and joy.
